

## **Chairman's Report - AGM 2020**

Welcome to everyone - especially those who are new or returning to the club

It was 11 years ago since the was officially affiliated to British Cycling - all within a year of the initial get together rides The club has now been very firmly established for 11 years and has continued to make progress its stabilising membership and in expanding activities as well as enhancing its reputation as a club that “puts back in” to cycling

Road riding and racing, mountain biking, cyclocross, time trials, club runs, charity rides, leisure cycling are all regular events on the club calendar

Points of note throughout the last year – in no particular order

- Committee - continues to work well - thanks to committee members
- Ladies group continues to grow - new challenges and achievements
- Sunday Club Runs throughout the year continue and are the foundation on which this and any club are built
- Successful AGM last January
- Reliability Ride mixed outcomes – March turnout affected by being on Mothers Day and October event cancelled due to the weather.
- July Series of road races – 7th season another excellent series
- TLI National Championships Road Race in September - hugely successful
- 2 race circuits – not many in Cheshire
- Thursday evening chain gang
- Website and Facebook pages – very successful
- Whats App - very successful communication tool

Membership has remained solid. Many of our members have again this year achieved their own personal goals whether competing, riding sportives or just improving their cycling fitness Some have taken part in new disciplines – cyclocross competing in the local leagues

## Looking to the future

- Looking for a couple of new committee members
- Retained affiliation to BC,CTT, M&DTTA and Cycling UK (formerly CTC)
- Reliability Rides – 29th March and 25th October
- Audlem members racing in TLI and BMCR (formerly LVRC), Time Trials, Midlands Series and Run and Ride MTB and regional cyclocross across year
- July series – 4 Tuesday events this year
- Many taking part in local and not so local sportive and challenge rides
- We welcome suggestions from members
- Quiz Night - Tuesday 21st Jan - Lord Combermere, Audlem

## HELP NEEDED

Reliability Ride – helpers

Road races – marshals, promotion helpers etc

Finally big thank you to the committee, all our members plus their long suffering partners and family members, in making this what I believe will be another very successful year for Audlem CC
